## **House Watch Request Program**

For our residents who are taking that hard-earned vacation or may need to leave town – we offer the Pine Bluffs Police Department House Watch Program. The program is free of charge and is designed to help provide peace of mind to residents when they are away from their homes overnight or for an extended period of time.

During their time away from the town, security checks will be conducted on the home to check for suspicious activity. The detailed information provided by the resident on the House Watch form will be used to determine if anything is amiss. If an emergency should arise – the Police Department will take appropriate action and the resident will be contacted. This valuable program has proven to be a great crime prevention tool offering increased police presence around your home during your time away.

Residents interested in the program can sign up by clicking on the link below to access the House Watch form.

Forms are to be completed and returned to:
